RICKY  
LEONARD

**RICKY LEONARD** was a troubled young man. In 1974 he was in a shootout with the Clearwater, Florida police and was shot in the back of the head with a .38 caliber, hollow-point bullet. Alive, but with sever brain damage, he was crippled with paralysis and suffered epileptic seizures along with severe headaches and other physical problems. He was sentenced to spend 30 years in a Florida prison. In 1975, after observing Christian inmates changed by the power of God, Ricky gave his life to Jesus. After four and a half years of pain and drugs, while working as a Chaplain's assistance, he prayed the power of faith and was instantly healed and restored to perfect health. Through that miracle of God's mercy, revival broke out in the prison and Ricky was launched into ministry.

Ricky was so changed that many were praying for his release. He was miraculously set free on parole in 1981, 23.5 years early! While praying, the Lord said to him, "*Ricky, I want you to preach the Gospel around the world and share your testimony*". He began by doing street evangelism, speaking at local churches and prisons and sharing on radio and television programs. With his freedom, the Lord has opened many doors of opportunity, using Ricky to minister to at least 30 nations.

Through *Ricky Leonard Outreach Ministries*, he has been used of God to bring salvation and miracles to great multitudes of people. In third world nations, he conducts evangelistic and miracle Crusades, reaches youth, teaches evangelism, conducts healing schools, provides clean water and free medical services. This is a true man of God.

*God's touch awaits you when Ricky shares his testimony and ministers to you.*

*Come and enjoy a meal and hear the inspirational testimony of a fellow Businessman. Our meetings are open to all, so bring your spouse, family, and friends.*
